About This Game

It all seemed like just a normal day, that is until you saw that cat in the road, or more precisely the woman trying to shoo the cat to safety, oblivious to the danger she was in herself. You only had a moment to think but your body reacted without thinking pushing her out of the way of the oncoming traffice.

Now your life is one crazy event after the other after in turns out the woman you saved is a Princess!
Before you know it you are being whisked away to balls and award ceremonies on the arm of your saved princess; meeting Musicians, Actresses, Models, Athletes and Socialites.

How will you find life as a Famous-ish person and apparent Hero.

Features

- A multi-route story-line where your choices affect the events.
- Multiple different endings and outcomes based on your decisions.
- A fun tongue in cheek story-line with multiple characters.
