Ever since he left home, his mother always reminded him that he is no longer the "Kerala" Suresh and he is not to be proud of. His parents want him to marry and settle down in the city so that they can live a comfortable life. But Suresh has already settled down and his home is in Hollywood, which is to be seen in the "Charlie" movie. After a long time, Suresh returns home to Kerala to pay a final farewell to his mother who still refuses to accept his homecoming. Charlie, an honest person is the only son of a rich businessman in Kerala. He never went to school but made a name for himself and becomes a successful entrepreneur. He helps his parents in their home and in return, they shelter him. However, Charlie is different from the rest. He was raised by his mother since he was a kid. He never had the chance to spend time with his father, who now left the family after his mother got married and settled down in the city. However, he is no longer the Kerala Suresh but a "City Suresh" who is obsessed with his career. After getting acquainted with his friend, Angel, Charlie realises that he has a chance to start his life in the city. He doesn't want to give up on his dreams and he realises the value of a good education. He decides to return home and fulfill his mother's dream. He wants to show his parents that he is no longer the Kerala Suresh but a Charlie who can have a good life.Q: How to display multiple location values based on category and date I am using this query to get locations for a trip SELECT t1.date, t1.location as origin, t2.location as destination, COUNT(t1.id) AS km FROM trips t1, trips t2 WHERE t1.date = '2017-04-22' AND t2.date = '2017-04-23' AND (t1.destination = t2.origin OR t 82157476af
